## Key Terminology

**Credit Hour:** A unit that measures educational credit that is usually based on the number of hours students are in the classroom.

A lecture-based course, whose duration is a full semester (at least 15 weeks), the course requires a minimum of one classroom hour (50 minutes) to 1 credit hour. Total classroom hours for a 3 credit hours course must include at least 45-64 hours regardless of the duration of the term.

For courses that include a laboratory section, generally there are two hours of classroom laboratory time spent for each credit hour, based on a minimum 15-week semester. Total classroom laboratory time for each credit hour laboratory must include at least 30 hours regardless of the duration of the term.

For work-placement courses, including practicum and internship courses, students are required to spend 60 hours at their work site for each credit hour awarded.

**Concentration:** A concentration is a sub-specialization within the field of study of the major. A concentration requires a minimum of 15 credits.

**Major:** A major is the field of study in which a student specializes. A major requires a minimum of 30 credits.

**Minor:** A minor is a specialization outside of the field of study of the major. A minor requires 12-18 credits.

## Transfer of Credits from Other Institutions

Students entering the HCT may have already completed some course work at other institutions of higher education within and outside of the United Arab Emirates or may hold professional qualifications relevant to their chosen program of study.

In recognition of this, a student may be awarded credit towards their Bachelors, Higher Diploma and Diploma from credit earned outside of the HCT depending on the recognition of the other institution and evidence of learning completed.

Since there are significant program content differences between higher education institutions, students should be aware that such transfers are difficult and may result in the student having to repeat some of the studies already completed and meet some additional requirements. The final decision and the year and program placement will be made by the HCT in consultations with appropriate academic departments.

*Students may be given credit for:*

- Courses completed at Zayed University or UAE University. Note: Successful completion of UGRU at UAE University or Academic Bridge at Zayed University is accepted for direct entry to an HCT credential (see LP213)
- Courses completed at other UAE institutions accredited by CAA
- Courses completed at overseas institutions accepted as being of equivalent standing
- Qualifications from professional bodies

Students should be aware that transferred credits may not exceed 50% of the total credential program credit and no 4000-level final year courses may be transferred. The grades the student obtained in transferred courses do not enter into the student's GPA calculation at HCT.

Please note that students must have achieved a minimum grade of Grade C or equivalent to be eligible for a transfer of credits.

## English Language Requirements

To enter a Bachelors, Higher Diploma or Diploma program at the HCT, students must have achieved an EmSAT English score of at least 1100 or an equivalent score on another recognized English language proficiency test.

Test scores which are recognized by HCT as equivalent to the EmSAT English requirement include:

- IELTS (Academic Module) overall band 5.0
- Cambridge Certificate in Advanced English test score 41
- TOEFL iBT 61, TOEFL PBT 500, TOEFL CBT 173

Please note that IELTS and TOEFL iBT results are accepted only from HCT approved testing centers. Test dates are required to be within the 2 year validity period.

Other test scores submitted as equivalent to EmSAT English 1100 require approval from the HCT as meeting program entry requirements.

## Bachelor of Education

Students are required to have overall IELTS Band 6.0 or EmSAT English score of at least 1400 to enter the final year of the program.

## Foundations Studies

The Foundations Intensive Program (FIP) has been developed to address the needs of students who wish to enter the HCT but do not meet the English entry requirement for a Bachelor, Higher Diploma or Diploma program. Please refer to the Admission to the HCT section for detailed entry requirements.

Students who do not meet the HCT English entry requirement must first be enrolled in Foundations courses and successfully complete the English requirement to be enrolled into any Bachelor, Higher Diploma or Diploma program.

Students have one year to meet the entry and program requirements after which they either progress into a program or leave the HCT.

The academic year of the Foundations Intensive Program consists of five cycles, and five levels of English language courses. Students are initially placed into one of the five levels, and have an opportunity to progress to the next level at the end of each cycle. In order to progress to the next level, a student must achieve an overall course grade of 60% or higher. If a student does not meet the criteria for progression at the end of the cycle, the student continues in the same level during the next cycle.

There is no limit to the number of times a student may repeat a given level up to the total duration limit of 5 cycles. Even students who do not progress to a higher level during the year will be afforded a maximum of 5 cycles (1 year) to achieve the English requirements necessary for degree program entry.

Students may complete the Foundations Studies program at any level by meeting the English Language requirements for program entry (see Academic Policies, English Language Requirements above).

# Registry

## Duration of Study

The HCT requires that work towards a particular credential is completed within a set period of time. This is because knowledge in particular fields changes, and learning often involves building knowledge from idea to idea and from course to course.

The Duration of Study for a student enrolled in a credential program is a maximum of four consecutive semesters, excluding summer sessions, above the program length stated in the student's Catalog Term. The student must complete his/her studies within this period to be eligible to graduate.

The Duration of Study for the Foundations Intensive Program is one year.

National service period is not counted within the program duration.

A student will be subject to dismissal upon academic grounds if he/she exceeds the Duration of Study without being granted an extension.

A student with extenuating circumstances that will require him or her to exceed the Duration of Study may apply for an extension, and, if approved, the extension period begins in the semester immediately following the end of the normal Duration of Study. An extension is normally limited to two consecutive semesters. A student may apply for an extension only once.

The Duration of Study period allowed for inter-institution transfer students is decided on an individual basis.

## Grading and Academic Progress

### Grading

Students enrolled in courses in HCT programs are graded according to the table below.

Grade Point Averages are calculated at the end of every semester on a scale from 0.00 to 4.00.

- Cumulative Grade Point Average (CGPA) is calculated by dividing the total number of grade points earned by the total number of credits of courses taken in the program.
- Semester Grade Point Average is calculated by dividing the total number of grade points earned in the semester by the total number of credits of all courses taken in the semester.

The following grades are used in grade points calculations

Descriptor	Grade	Grade Points	Range
Achievement that is outstanding relative to the course and GPA requirements.	A	4	90 – 100
	A-	3.7	87 – 89
Achievement that is significantly above the course and GPA requirements.	B+	3.3	84 – 86
	B	3	80 – 83
	B-	2.7	77 – 79
Achievement that satisfactorily meets the course and GPA requirements.	C+	2.3	74 – 76
	C	2	70 – 73
Achievement that minimally meets the course requirements but may not meet the GPA requirements.	C-	1.7	67 - 69
	D+	1.3	64 - 66
	D	1	60 – 63
Achievement that does not meet requirements.	F	0	0 – 59

### Grade Appeals

A student may appeal against a grade on the basis of one of the following:

- Procedural grounds, including failure to follow correct procedure, mistaken identity, aggregation errors, and addition errors.
- Bias in the marking e.g. the marker(s) were prejudiced against the student or the student's beliefs.
- Arbitrary marking i.e. the work was not evaluated on its academic merit against the approved marking scheme/rubric.
- Inappropriate assessment i.e. the assessment does not match what was taught in the course.

### Academic Progress

#### Bachelor, Higher Diploma and Diploma Programs

*Students should be aware of the following:*

- A minimum CGPA of 2.0 is required for graduation. Appeals to the CGPA graduation requirement will not be accepted.
- A student is in Good Academic Standing if s/he maintains a CGPA of 2.0 or higher.
- A student is placed on First Academic Probation if his CGPA falls below 2.0, after accumulating at least 21 CH of study.

- A student on Academic Probation whose CGPA is below 2.0 at the end of semester following the First Academic Probation will be placed on Second Academic Probation.
- If a student fails to achieve a CGPA of 2.0 by the end of the semester following the Second Academic Probation notice, the student is subject to Academic Dismissal from the HCT.
- If a student seeks to transfer to another program while on Academic Probation, s/he has a maximum of two semesters in the new program to attain a CGPA of 2.0. If s/he does not achieve a CGPA of 2.0 at the end of the second semester of the new program, s/he is subject to academic dismissal.
- Summer terms are not counted in the calculation of the Academic Probation periods.

Students must also meet the residency requirement that a minimum of 50% of the program credit requirements have been completed at the HCT. Courses taken while enrolled in another program at HCT, but which did not lead to the award of a credential, will be accepted as contributing to the residency requirement.

## Foundations Courses

*Students should be aware of the following:*

- Required courses must have a passing grade in order for a student to progress.
- A student who receives a grade of F must repeat the course.
- There is no limit to the number of times a student may repeat a given level up to the total duration limit of 5 cycles. Even students who do not progress to a higher level during the year will be afforded a maximum of 5 cycles (1 year) to achieve the EmSAT English score (or equivalent) necessary for degree program entry.
- For those who have failed to complete the foundation requirements within one full academic year (5 cycles), the following options will be available to students:
  - a. Come back to study in HCT Foundations program for a fee for a maximum one more semester (two consecutive cycles).
  - b. Meet Academic Requirements within one semester (students can attend another institute or do self-study as they prefer).

## Graduation

To qualify for a Diploma, Higher Diploma or Bachelor's degree, a student is required to successfully complete the required number of credits and courses specific to the program with a minimum cumulative GPA of 2.0.

The student is also required to meet the English language requirement for that program. Additionally, students are required to complete 100 hours of volunteering to be able to graduate.

## Academic Honesty

The Higher Colleges of Technology (HCT) is committed to creating a learning environment that is honest and ethical with the awareness that students come from a variety of academic backgrounds where understanding of academic honesty and ethical principles varies.

Faculty, Program Chairs, Executive Deans and College Directors are responsible for explaining the HCT policy to all students and to ensure that students are aware of the types of behavior that will be considered as a breach of conduct, understand their responsibilities related to academic honesty, are aware of the disciplinary measures that could be imposed in cases of breach of conduct and their consequences.

Students are expected to conduct their academic activities fairly and honestly with particular emphasis on avoiding cheating and plagiarism.

Cheating is a deliberate attempt to gain marks or academic credit dishonestly, or helping someone else to gain marks or academic credit dishonestly. Examples of cheating may include, but are not limited to, the following:

- A student sharing or showing answers to another student during a test or other forms of assessment.
- A student copying anything done by another student and submitting it as his/her own.
- A student giving another student access to his/her electronic files, and allowing him or her to use that work as his or her own.
- A student telling another student what is on a test he or she will take later.
- A student bringing to an assessment information or materials that are not allowed, even if they are not used.
- A student reading a test, examination or assessment before he/she should have access to it.
- A student allowing another person to take a test, examination or assessment for him/her.
- A student taking a test, examination or assessment for someone else.
- A student using a computer improperly during an assessment, such as by gaining access to unauthorized material, communicating with others during assessments, or using files of other users.

Plagiarism is deliberately presenting another person's work as one's own without acknowledging the original source. Examples of plagiarism may include, but are not limited to, the following:

- A student using the work of someone else, or changing some words and keeping the same structure and the same meaning without noting the source(s), and submitting it as his/her own work.
- A student taking text from many other sources and putting the pieces together as one document and submitting it as his/her own work, without noting the source(s).
- A student downloading information, pictures or charts from the Internet and inserting that material into his/her own document and submitting it as his/her own work without noting the source(s).

If a student is suspected of cheating or plagiarism, the responsible Executive Dean will appoint an impartial committee to investigate the incident. If the student is considered to be in breach of conduct, the Executive Dean will then determine the type of breach and apply the appropriate disciplinary measure.

A student found guilty of having committed acts of academic dishonesty may be subject to one or more disciplinary measures up to dismissal from the HCT as outlined in Article 33 of the Student and Academic Regulations.

A student who is dismissed from the HCT for breach of academic honesty may appeal within two weeks of receiving the disciplinary decision to the Vice President Academic Affairs. The decision of the Vice President Academic Affairs after reviewing the case is final.

Please note that in cases of dismissal on academic grounds, for breach of the academic honesty do not carry the right of appeal once the records leading to dismissal have been verified and confirmed to be correct.

## Student Conduct

The HCT is committed to ensuring the welfare and safety of students and staff and the good reputation of the institution. Students are expected to act with integrity while on, approaching, or leaving HCT campuses or HCT sponsored or supervised events. In cases where students are found to be

in breach of good conduct, disciplinary action may be taken up to termination from the HCT and/or the cancellation of a credential awarded.

The HCT identifies three types of misconduct.

### **Misconduct in Relation to Persons**

A student commits misconduct in relation to a person when the student –

may be a staff member of the student's choice within the HCT community, who is not a student. Students also have the right to appeal against disciplinary sanctions (probation to dismissal) imposed by a college in all cases of non-academic misconduct.

Records of the complaint, proceedings, and disciplinary sanction are retained on the student file and in the Banner Student Record System where appropriate.

Termination from the HCT and/or the cancellation of a credential awarded may be imposed by the Vice President Academic Affairs after reviewing the case. The decision of the Vice President Academic Affairs is final.

The disciplinary sanction of canceling a credential awarded is to be imposed only if it is proven that a graduate or former student has forged, altered, or falsified HCT credentials, or instruments of identification of the HCT.

## Student Rights and Responsibilities

The HCT wants students to get the most out of their time at the HCT, to be successful and to contribute to the HCT's excellent reputation.
